# Mayor's Address

Welcome to the 2025 Community Festival!  
On behalf of the mayor, administration, and Town Council, we would like to thank our residents, business community, civic leaders, non-profits, and Township staff for bringing our marquee event to life for Robbinsville!

With this year's big day finally upon us, it has started to hit home that the 2025 Community Festival will be my last as mayor. On March 31 I made the very difficult and bittersweet decision to not seek reelection, thus handing the reigns of this wonderful town in order to give a new leader the opportunity to chart his or her own course for our future.

Community Day has held a very special place in my heart for the better part of two decades, with my wife and children often joining me to celebrate the spirit, generosity, diversity, and many gifts the members of the Robbinsville community bring to the table throughout the year. Although I will not be here as an elected official in 2026, I will be coming back to kick back, relax, and enjoy a wonderful day of music, food, fun, friends, family, and fireworks at Community Park for, God-willing, many years to come.

Be sure to check out the "Kid's Zone" and "Prize Alley," while learning about some businesses, charities, and other organizations so vital to helping our town thrive. As always, I want to send a huge "Thank You!" to our sponsors, community groups, and vendors for their generous support of this one-of-a-kind festival throughout the years. Days like this prove that we are truly better together, and it has been an absolute honor to have played even a small part of Community Day's success.

From the bottom of my heart, thank you all once again for your unwavering support of Robbinsville Township and have a fantastic time!

Sincerely,

2025 Robbinsville Community Festival:

## **Beer & Wine Booth Information:**

Today's proceeds go to:

They are called the "Golden Years." However, for some in our aging community, these years are tarnished by illness, loneliness, diminished capacity, and a loss of independence. Family and friends may want to help but do not know-how.

Sometimes, there just isn't anyone around to help. In either case, folks have turned to the Township of Robbinsville "Meals on Wheels" program for help. Meals on Wheels helps seniors to remain independent, maintain nutritional health, act as a referral source, and live their life with dignity.
