Mayor's Address

Welcome to the 2026 Community Festival!

On behalf of Council and Administration, I would like to thank our residents, business community, civic leaders, non-profits, and Township staff for bringing our marquee event to Robbinsville for the 45th year on the precipice of our nation's 250th birthday!

With my first Community Day Festival as mayor finally upon us, I could not be prouder of our ability to consistently bring people together under what we hope are bright, sunny skies in one of our many beautiful parks for a day of fellowship, fun, and fireworks!

Even before becoming an elected official, Community Day has always held a very special place in my heart, as my wife and daughters often joined me to celebrate the spirit, generosity, diversity, and countless other gifts this Robbinsville community displays throughout the year.

Be sure to check out the "Kid's Zone," "Prize Alley," and play some cornhole to support Robbinsville Meals on Wheels while learning about local businesses, charities, and other organizations so vital to helping our town thrive. I want to send a huge "Thank You!" to our sponsors, community groups, and vendors for their generous support of this one-of-a-kind festival throughout the years. Days like this prove that we are truly better together, and it has been an absolute honor watching our staff work so hard to bring this event to fruition.

From the bottom of my heart, thank you all once again for your unwavering support, and have a fantastic time at the festival!

Sincerely,

A handwritten signature in black ink, appearing to read "Matt J. Tate".

About Meals on Wheels

They are called the "Golden Years." However, for some in our aging community, these years are tarnished by illness, loneliness, diminished capacity, and a loss of independence. Family and friends may want to help but do not know-how. Sometimes, there just isn't anyone around to help. In either case, folks have turned to the Township of Robbinsville "Meals on Wheels" program for help. Meals on Wheels helps seniors to remain independent, maintain nutritional health, act as a referral source, and live their life with dignity.

Each donation counts!
